Atlanta, Ga.

Dear Mr. Harden:

I have written Mr. Ric Roberts twice and have received no answer in the matter as to just how many games the Eagles are supposed to play Atlanta.

I would appreciate very much if you would write me directly, or see to it that Mr. Roberts writes me right away. As it stands now the only game booked with your Team is the one in Atlanta on Sunday, April 23rd. When you first wrote, you spoke of playing a few other games, please let me know if you have arranged any games, where they are, and what the terms are. I would appreciate hearing from you at once on this.

The Team is now in Training camp at Daytona Beach, Fla. Mr. Manley's address is 560 Second Ave., Daytona Beach, Fla. % Dr. J. L. Slack, but I would like to have you address your answer to the Newark office.

Yours very truly,
